VDOT TO CONDUCT REPAIRS AT THE HRBT THIS WEEKEND
An 8-hour closure on I-64 west is scheduled to support repairs of the tide gate system in the westbound tunnel

SUFFOLK – The Virginia Department of Transportation (VDOT) will close I-64 west at the Hampton Roads Bridge-Tunnel (HRBT) beginning at 10 p.m. on Saturday, April 17, through 6 a.m. on Sunday, April 18, to conduct repairs of the tide gate system.

Motorists on I-64 west should avoid the HRBT during the closure and are encouraged to use the I-664 Monitor-Merrimac Memorial Bridge-Tunnel as an alternate route. A detour at the 4th View exit ramp will direct westbound traffic onto I-64 east beginning at 10 p.m. on Saturday, April 17. The closure will be lifted at 6 a.m. on Sunday, April 18.

There are no plans to close the HRBT to eastbound traffic.

Testing of the tide gate system will take place later this year.
